

Dear Pastor and Church,

I'm very excited to heartily recommend to you Brother Sam Ward. It would be hard for you to find another missionary who works as hard and has the burden for souls as does brother Ward. I've watched him now for several years as we've served together in the country of Croatia. He has grown to love the Croatian people, learn their culture and language and his heart's desire is that they might be saved. I've watched Brother Ward as he has labored tirelessly to reach the lost souls of Croatians. Brother Ward has truly been an asset to the ministry, and certainly not a detriment. He has been a personal blessing to me and to our people.

Would you please consider supporting Brother Sam Ward? The Croatian people need him here! This missionary needs him here! Our Church needs him here! I know without a doubt the Lord Jesus wants him in Croatia. Please consider adding him to your mission's family. I don't think you could make a better investment.

Thank you all for taking time out of your busy day to read this short recommendation!

Because of Jesus,

Johnny Leslie
